BSSF courses will be offered in a fully-online format through Summer 2021. Travel intensives for January 2021 and Summer 2021 have been cancelled due to concerns related to Covid-19 and travel.

***Formats:** **Intensives** are held on campus for either three Friday/Saturday weekends in fall and spring or week-long in January and summer. Students will stay connected online and may have assignments to do before, after, or in between sessions on campus. **Hybrids** blend online teaching and learning (live, self-paced, or both) with sessions that meet on campus for one or two weekends in fall and spring or fewer than five weekdays in January and summer. **Fully online** courses do not require visits to campus. They are as interactive as possible and often include both synchronous ("live" in real time) and asynchronous (on your own time) sessions.

This schedule will be updated as new information regarding course dates and synchronous sessions is available for Summer 2021.
