

Appendix B

Schedule of Required Readings and Assignments

This Appendix summarizes the dates, module topics, required readings, and assignments with due dates (and maximum points). **The sequence of pages within each module will indicate what to read and in what order in preparation for the assignments and Zoom sessions. You also will be guided in how best to prioritize and engage the readings. Some of the readings do not require the same degree of close reading than the others. “Review” generally refers to liturgical resources.**

All Zoom sessions take place on Saturdays between 10:30 a.m. and 1:00 p.m. (CT).

All required reading and Canvas module material and activities are expected to be completed before the upcoming Zoom session, unless otherwise indicated in the schedule.

Assignments are due by midnight (CT), unless otherwise indicated.

This schedule and its content may be modified as course developments warrant.
